STATINTL

[REDACTED]

I have completed the arrangements for the rekindling of the Boston dinners, which you have been kind enough to sponsor and encourage. Friday, the 11th of December, seems to be the consensus of the group. We will meet at the [REDACTED] at 6:30 for cocktails and dinner.

I shall use this first evening to describe the totality of our activities in brief as a foundation for later meetings. However, I would like to go into several of our more exciting programs in some depth during this first meeting. We will hope to break up about ten o'clock.

For this first meeting we will have a vote.

necessary clearances in force at the present time. Like you, I hope that we can suggest a new generation who would be interested and active in this phase of our national security program so as to insure continuing momentum. I shall look forward to seeing you that evening and want to again express my appreciation for your help.

Sincerely yours,
